## **2<sup>nd</sup> Pan-European Trainees' Congress**

Friday, 5 June 2020

Hilton Hotel Rotterdam, The Netherlands

EURAPAG will be hosting the 2<sup>nd</sup> Pan-European Trainees' Congress during the EURAPAG 2020 meeting. This time, the meeting will be held on Friday 5 June 2020, giving the trainees the unique opportunity to attend the rest of the scientific sessions of EURAPAG 2020 as well. The spoken language will be English.

The trainee-program consists of small-scale learning in workshops, a Stump-the-professor- session with challenging PAG cases and the opportunity to present your own work. EURAPAG is offering a free congress registration as a prize to one trainee. This contest is in collaboration with ENTOG.

So visit the ENTOG-website ([www.entog.eu](http://www.entog.eu)) to find out what you need to do to compete. ENTOG will announce the winner of the contest before early bird registration ends.
